## Early Educator Appreciation Gift? Give the Gift of Professionalism

Help ensure your child's teacher has the tools and resources that support high quality early care and education. Give the gift of recognition to your child's teacher by purchasing a one-year membership to their professional membership association:

North Carolina Association for  
the Education of Young Children

Formed in 1953 and now with over 2,000 members across North Carolina, NCAEYC is the state's largest and oldest membership association for professionals who work with or on behalf of children birth through age eight. It is the state affiliate for the National Association for the Education of Young Children, which sets industry standards for excellence in early care and education as well as the early childhood professional code of ethics.
