NAEYC and NCAeyc, along with other state and national organizations invite you to join in a Valentine Advocacy Campaign.

This is an opportunity for early childhood professionals, families, organizations and children to send meaningful messages to both our North Carolina and United States Legislators about the importance of investing in early care and education!

Our state and nation's future prosperity depends on it!

Use the Valentine template provided or design your own!

Make an impact!
Take a picture of your completed Valentine Advocacy Message.
Share your pictures on NCAeyc's Facebook page as well as Facebook pages of your Legislators.
Then mail the Valentine or email a picture of your Valentine to either or all of the following:
Your NC State Senator or Legislator or your US Senator or Congressman (Find out who represents you and how to contact them [here.](#))

Or send your message electronically through the [Action Center](#) sponsored by our partners at the NC Child Care Coalition!

Personalize YOUR advocacy message. Include your name and town or county.

NCAeyc will hand-deliver your Valentines to NC Senators & Representatives!

Mail them to us by Feb. 9th:
