

MUSIC MONDAY

THANKS TO COY BOWLES FOR GETTING NCAEYC'S WOYC
OFF TO A ROCKING START WITH THIS SPECIAL VIDEO MESSAGE
FOR EARLY CHILDHOOD EDUCATION PROFESSIONALS!

Coy is known best as a talented musician who has made incredible music on his own and as a part of **Zac Brown Band**. Perhaps his greatest achievement however is being a super cool dad to his two little girls! His love for his daughters and his enjoyment of helping them grow has inspired Coy to share his talents in new ways. His [books](#), [resource toolkit](#) and brand new CD, [Music for Tiny Humans](#) are tons of fun for children and grownups as well! Coy's appreciation and respect for early childhood educators and teachers is evident in all he does and for that we are so grateful. Thanks Coy for inspiring creativity and social emotional well-being of children and adults!

GATHER WITH YOUR CHILDREN
